

School Nutrition Registration Form 2021-2022 School Year

The e4c School Nutrition Program provides over 6,000 healthy meals each school day to students in over 40 schools across Edmonton. The healthy meals are prepared on-site by e4c School Nutrition Workers, align with the Alberta Nutrition Guidelines for Children and Youth, and offer each of the four food groups with every meal. By providing students with a freshly made, healthy meal they are able to concentrate on their schoolwork and not on their hunger. The program improves student's behaviour, understanding of healthy eating, attendance, morale, concentration, learning ability, and long term health outcomes.

The e4c School Nutrition Program is voluntary. Each day students will decide if they are hungry and wish to participate.

If you would like your child to participate in this program please fill in this form.

Please fill in one form per child.
